Urban Alphabets is a tool to (please continue the sentence)

You have used the Urban Alphabets prototype today, how likely is it that you would use the app in future? (if you had a smartphone you could download it on)

I will never use it I will definitely download it

Is there anything that would make it more likely for you to use the App in future?

After this workshop, do you think that you will look at letters differently during the next weeks?

Not at all yes, definitely

I want to participate in the follow-up survey. My email adress is:

Thanks for your participation in the workshop and in this survey!
